

Dear Parents,

We are excited to present our 40th Annual Recital, this year our theme this year is “Cheers to 40 Years!”

The BRANDON & BAY-AREA SCHOOL OF DANCE ARTS invites you and your child(ren) to participate in our annual Recital at USF Theater 1 **in Tampa on Friday, June 16th and Saturday June 17th.**

You may be in only one show or in multiple shows, depending on which class(es) your dancer(s) are enrolled in. Each class is only in one show. There will be no dress rehearsals at the theater, dress rehearsals will take place at the studio during regular class time.

Please understand that while the recital is the primary performing opportunity for our students, **it is optional.** We realize that there are significant costs involved and for that reason we want to give you as much information as possible to enable you to make your decision. There is no requirement to participate. If you should choose not to participate, we understand and fully respect your decision. Please complete the “Recital Opt-Out” form and return the form to the office managers at either studio by **February 3rd, 2023.** You may also email the office managers at [frontdesk@bsdadance.com](mailto:frontdesk@bsdadance.com) by **February 3rd, 2023** to notify them you will not participate in the recital or of any exceptions to your participation in the recital.

For some of you this will be your first recital and you will have many questions. If this is your first recital experience at BSDA please feel free to ask any of our returning studio families about their experiences. We also have videotapes of prior recitals available for your review. At our recital...

- Costumes are ordered from the country’s leading companies and are carefully considered for each class
- Staging is complete with sets and props
- The show is complemented with an elaborate lighting design to enhance the quality of the choreography.
- Each family will have access to review the entire recital online and have the ability to download some or all of the performances

All aspects of our show are designed to make the event a memorable family experience. Not only will your child participate in the “magic” of the recital, but you and your guests will share a wonderful day of entertainment. We hope you will choose to participate.

Our website will have a page devoted to the recital. Please use this page for additional information, due dates, forms, and schedule information. More details will also be emailed to you as we get closer to the performances. Our website address is [www.bsdadance.com](http://www.bsdadance.com).

If we can answer any questions, please do not hesitate to ask. Our Brandon studio phone number is 681-TOES (681-8637) and our Tampa studio phone number is 288- TOES (288-8637). The best time to call is between 5:00 and 8:00pm Monday through Thursday. Our office managers are happy to help you with any questions or concerns you may have.

# BSDA RECITAL INFORMATION 2023

## Preparing for Recital:

### COSTUME DISTRIBUTION

Costume fees are due February 10th and will be ordered for all classes a dancer is registered for on Jackrabbit as of February 3rd unless a recital opt-out form is received on or before February 3rd. Costumes will be ordered early February and we will begin costume distribution as soon as costumes arrive. Costumes are non-refundable. **All costume fees must be paid before costumes will be distributed.** Parents may pick up your costumes from our office manager any time during regular office hours after you receive an email that costumes are ready for pickup. **Even if a dancer decides not to participate in a dance for the recital, there are no refunds on costumes.** Costumes will be tried on during class time after they arrive so teachers can ensure costumes fit properly.

### TIGHTS AND SHOES

Tights and shoes should be supplied on your own. The color tights and shoes will be emailed at a later date.

### SHOWS LIST

The list of which classes will go into each show and their show day and time will be emailed at a later date.

### LINE-UP

The order of the performance for each show will be emailed later this spring.

### PICTURE WEEK/DRESS REHEARSAL WEEK

A few weeks prior to our recital we will have our picture week/dress rehearsal week **during regular class time.** Parents will be invited to watch their dancer practice their dance in costume and take group pictures. Picture week is June 3rd through June 9th. The last day of regular classes is Friday, June 9th.

### BLOCKING REHEARSALS

The blocking rehearsals will take place at each studio in the days leading up to the recital. This is not during regular class time. During these rehearsals, we ask that you drop off your child and return later as parking is limited. We do make exceptions for our younger students. General dates and times of these blocking rehearsals are included with this recital packet. A more specific breakdown of dates and times of these blocking rehearsals will be emailed to you and posted on the website and in the studios closer to the rehearsal dates. Blocking rehearsals are not mandatory but can be very helpful for the dancers. Dancers do not wear costumes to this rehearsal, just regular dance clothes.

## Recital Information:

### ARRIVING AT USF THEATER 1

The recital will be held at USF Theater 1. More details about parking location and cost will be sent at a later date. Dancers should arrive in street clothes and will be able to change into their costume after arriving in the dressing room. Dancers and caretakers will be checked in by our staff. Only one caretaker will be given a name tag required for the dressing rooms. You will be directed to your assigned dressing room where one caretaker will wait with the dancer until they are called backstage for their performance.

### SAFETY

At the Recital, our students will be called from their dressing room to line up and to be taken to the deck before their dance. Our backstage assistants and faculty will call the dancers six dances before they perform. Faculty and assistants will keep the children

quiet backstage and make sure they are in the correct order until they perform. After their dance the dancers will be escorted back to the dressing room to waiting backstage caretakers. Please don't delay in picking up your child after their dance.

Parents are responsible for their dancers at the theater, please do not leave your child unattended except when our staff takes dancers backstage for their performance. We hope you understand it is not possible for our faculty to conduct a performance and care for your child at the same time.

Each dancer will be allowed one backstage caretaker and that person will be given a name tag. It is for all our safety that we require you to wear your name tag backstage. **NO ONE** (no exceptions) will be given backstage access without a name tag. We do not allow men in the girls dressing rooms or women in the boys dressing room.

## THE PERFORMANCE

If a dancer needs supervision, a caretaker will need to stay with the dancer until they are called backstage by the backstage managers. Otherwise, parents with a ticket can head to the theater. Dancers should be in their dressing room 6 numbers before their performance. Dancers may sit in the audience during the recital as long as that dancer has a ticket and they need t change out of their costume. We make the show entertaining not only for you and your guests to watch your dancer but for you and your guests to watch the entire show.

The performances are intentionally kept (reasonably) short and (ask anyone) they move quickly. You may leave after your dancer performs their last number, BUT we would love for you to stay and watch the other dancers perform and have your dancer participate in the **grand finale!**

The show will move quickly so it is important to be dressed and ready to go when the backstage assistants call you. Please allow ample time for parking and check-in. Again, please, only the dancers and their caretakers with name tags will be allowed backstage... No siblings, no relatives, no friends...**NO EXCEPTIONS!!!**

## ROOM MOMS \*NEW THIS YEAR\*

For some of our classes there will be an option to have some "room moms" that you may designate to help your dancer change in between dances so that you can remain in the theater for the entire performance. These room moms will have a tough job, but in return they will be permitted to watch their dancer's performances from backstage instead of walking back around to the theater entrance and will not be required to use one of their tickets. However, you are not required to use the "room mom" and if you do not designate them to help your dancer change then you will still be responsible for your dancers when they are not lined up backstage with our backstage managers. No one but the "room moms" and BSDA faculty and dancers are permitted backstage. The room moms will be selected by BSDA faculty, and information on the "room moms" will be coming at a later date.

## *After the Recital:*

### RECITAL VIDEO

This year's recital video is included with your recital fees! We have arranged for DRC Video Productions, or "DanceBUG" to film the 2023 BSDA Recital. Instead of DVDs, DanceBUG will host the recital for viewing through your personal DanceBUG account on any internet-enabled device: smartphone, iPad, tablet, smart TV, or Roku. You will have access to all the shows.

More details about how to access the recital videos will be emailed to you several weeks (or sometimes months) after the recital.

\* NEW THIS YEAR: price will vary, but the goal is to keep all costumes between \$0 (using something you already have) and \$50. Understanding how costumes get to be expensive and burdensome, we are going to make every effort to utilize discounted costume options that will still complement the performances without relying on some of the costly costume company options. This fee will not be included in your costume fees due February 10th, but instead will be decided by BSDA staff on a class by class basis and will only be ordered with your approval. The due dates for any costumes we order will be class specific. The teachers may instead ask you to purchase or borrow something on your own. While it may take a little more coordination and work we hope to save our families some money on costumes while still giving the dancers a wonderful performance opportunity!
