

## **2022 -2023 Competition Team Audition and Information Packet**

BSDA Competition Teams are for the serious dancers who wish to compete at the highest level. Hours and hours of dedicated rehearsals and technique classes are required for participation in this elite squad of dancers. All dancers interested in meeting these challenges are invited to join us. Please read the information thoroughly and make a decision based on your person needs. Understand the many costs involved and sign if you are fully committed.

From those who audition, several dancers from all age groups are selected to participate in competitions and other performance events throughout that academic year.

All dancers must audition for the team and all team members ages 7 and up must attend the Summer Intensive.

### **Requirements for competition team dancers**

In addition to the audition, dancers must also meet the following requirements:

1. Must be a student at BSDA and are in good standing. New students must enroll at BSDA for Fall 2021.
2. Dancers aged 4 years old must be enrolled in a combo class at BSDA
3. Dancers 5-6 years old must be enrolled in a combo class and a jazz class at BSDA.
4. Dancers 7 and older must be enrolled in ballet and jazz at BSDA.
5. Must be enrolled in technique classes for the styles of dance they are competing in (ex: in you doing a tap dance you must be enrolled in tap class.)
6. Must be available for rehearsals with a limited number of misses allowed. See below for information about the number of misses allowed.
7. Must attend regular technique classes. All missed classes must be made up.

### **WHAT IS MY TIME COMMITMENT?**

Group dance rehearsals will be held on Friday afternoons at the Tampa studio for the Tampa only team and/or on Saturdays at the Brandon studio. You may select whether you'd like to be on the Tampa only team or Brandon only team or either. Our groups rehearse on average of 1 hour a week, but the rehearsal schedule varies throughout the competition season.

Our 4 year olds will participate in only 1 group dance and they rehearse 1 hour a week. Our 5 year olds will participate in 1 group dance and have the option to be considered for a second group dance. These groups rehearse 1 hour a week each. All members other team members will be cast in 2 or more group dances, parents and dancers may choose the maximum number of group dances they would like to be

considered for. The time commitment is then based on the number of dances the company member chooses to participate in. Each group typically rehearses on average of 1 hour a week.

We understand this is a big commitment for many, but it is essential to maintain the quality of our program. Being a BSDA Competition Team member will require you to make many sacrifices, not just the dancer but as a family. This means possibly foregoing parties, extra-curricular activities, etc. The team must come first. Dancers will be allowed five (5) misses total for the academic year—August through June. If a dancer has three or more misses for the same dance, the dancer risks being replaced for that dance. It is *imperative* that dancers be on time and ready to go! Dancers who are absent or late are responsible for learning missed choreography. Dancers are also required to attend their technique classes on a regular basis. Any dancer with a high absentee rating will not be allowed to continue on the team.

### **HOW MUCH WILL THIS COST?**

All members pay a \$200 security deposit per dancer. This deposit will be applied to your account at the end of the season. If you drop prior to the season's end you will forfeit your deposit. The competition season's end is our national competition held in July.

In addition to regular dance class tuition: there is a monthly competition team fee, a choreography fee, a prop fee, competition fees, and costume fees. Please see below for an explanation of each of these fees:

**Dance class tuition** is based on which technique classes you choose to enroll in. Please see our website for pricing for each class.

**Monthly competition team fees** are based on the number of dances your dancer participates in. Dancers in one group dance pay \$86/month, dancers in two group dances pay \$95/month, dancers in three group dances pay \$115/month, and dancers in four group dances pay \$145/month, and dancers in five or more group dances pay \$155/month.

**The choreography fee** is based on the number of dances your dancer participates in. This fee is paid once at the beginning of the competition season. There are no choreography fees for the first 2 groups (per dancer) and each dance after that will have a \$80 choreography fee. (*ex. Your child does 5 dances you will be charged a choreography fee for 3 dances at \$80 per dance.*)

**\*New this year\*** some of our group dances will have an increased choreography fee. For all group dances choreographed by a guest choreographer there will be an additional fee (amount depends on the choreographer) to support their own rates and outside expenses like hotels and other travel fees. You will be given the ability to opt out of these groups after the casting list goes out.

**The prop fee** is \$140 per dancer and paid once at the beginning of the competition season.

**Competition fees** are based on the number of dances your dancer participates in. Our team participates in 4 or 5 regional competitions and one national competition each year. Competition fees are based on the

number of group dances. Competition fees are between \$70 and \$90 per group dance. Competition fees are due mid-season prior to our competitions. The deadlines and competition schedule will be announced early fall. All unpaid fees will be assessed a \$40 late fee. If a dancer opts to do a solo, duo or trio, fees are higher per dance and vary by competition.

**Costume fees** are based on the number of dances your dancer participates in. The price of each costume varies widely from \$50 to \$150. You will also be required to purchase any shoes, tights, make up and accessories necessary for each group dance.

### **COMPETITION TEAM JACKETS**

All team members will be required to have a team jacket. Only those new to the team and those needing a larger jacket need to purchase a team jacket.

### **CASTING & LEVELS**

Parents and dancers will have the ability to choose a maximum number of dances they would like to be considered for based on your personal time and financial commitment. You will also be able to tell us which styles of dance you would like to compete in. Dancers will then be cast and placed in group dances based on their audition performance and what their technique teachers observe in their dance classes. Dancers are cast into groups based on the best potential for maximum growth.

### **DISMISSED OR LEAVING THE TEAM**

In the event a dancer chooses to leave the team or is dismissed from the team, we reserve the right to have costumes returned to the studio (costume fees for any costumes we require to be returned and will be refunded back to the family). However, if we do not require the costume back costumes are non-refundable. All other fees are non-refundable.

### **SOLOS AND DUO/TRIOS**

Parents and dancers may let us know on the audition form that they would like to be considered for a solo or duo/trio. The faculty will decide if a dancer is able to perform a solo or duo/trio. Parents and dancers may ask any choreographer to choreograph their solo or duo/trio, but they have limited availability. Your choreographer will pick the subject and music for your solo and/or duo/trio for you.

Please indicate on the form below if you are interested in doing multiple solos or duo/trios, however most dancers will not be given this consideration until they are in Level 3 and above.

### **PARENT BOOSTER CLUB**

The parents of our competition team has a booster club. The purpose of the club is to aid in the social activities of the team through different activities throughout the year. They collect dues at the beginning of the year and have a water fundraiser year-round at the studio. Each dancer is asked to bring in cases of water, alphabetically on a rotating basis, to keep the water supply stocked. Each dancer will bring in an average 3 cases of water a year.

## **PROP REQUIREMENTS & PROP TEAM**

Our competition team dances involve props ranging from chairs to stairs. It takes a lot of work to build and assemble these props at the competitions. These people will be known as our “Prop Team”. They will be responsible for building, painting, maintaining, overseeing the truck load and unload, and are required to be present at every competition to put props on and off stage all weekend. A generous incentive will be given. If interested, please let us know. The coordinator will keep records of all who have participated in each activity. The coordinator will also call you and email you one week prior to the event as a reminder and to give you specific information regarding the event.
